

DECEMBER 8, 2021 6:00 P.M. MEETING OF THE DEKALB TOWNSHIP BOARD 2323 SOUTH FOURTH STREET, DEKALB, IL 60115

The public is invited to join our in-person meetings and members of the public may address the Township Board during Public Comment by submitting a speaker request form prior to the start of the meeting. If the number of attendees does not permit all persons to be socially distanced, the meeting may be adjourned to such time as an appropriate alternate space can be utilized. All attendees are required to wear a mask at all times, regardless of vaccination status.

As a convenience to the public, the Township is also providing remote viewing of the meeting. Remote viewing mode does not provide for public participation.

WINTER 2021 NEWS

From the Supervisor ~ Mary Hess

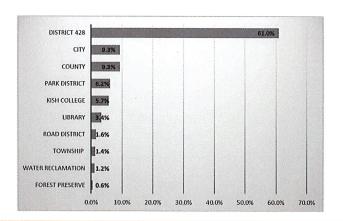

Whether it be free shredding events or keeping roads outside of city limits safe and in excellent condition, DeKalb Township and DeKalb Township Road District each provide a variety of services to residents:

- 1. FINANCIAL ASSISTANCE AND SOCIAL SERVICES
- 2. MANAGEMENT OF 2 CEMETERIES
- 3. PROPERTY ASSESSMENTS
- 4. ROAD MAINTENANCE

Our elected officials and professional staff take pride in each and every program the township offers and always keeps the resulting liability to homeowners in the forefront of our planning. Your DeKalb Township and DeKalb Township Road District each have among the lowest local tax rates and always maintain balanced budgets. As you can see from the graph below, 3% of the average DeKalb Township homeowner's property taxes finance all of the services provided.

We are proud to be a safety net for those in need, as well as for the not-for-profit agencies we fund. This is especially critical at a time when many agencies are seeing an increased demand for services as a result of the COVID-19 pandemic. In 2022, we are looking forward to expanding services, especially for our Senior Citizen population.

On behalf of all of us at DeKalb Township, happy holidays! We wish you all the best in 2022.

TOWNSHIP SUPPORTS LOCAL SOCIAL SERVICE AGENCIES

The DeKalb Township Board of Trustees recently awarded more than \$120,000 to community-based social service agencies to deliver services to DeKalb Township residents.

DeKalb Township awards grants annually to a variety of community-based, non-profit agencies providing programs or services for the benefit of people residing in DeKalb Township. Priority is given to services addressing the needs of seniors, youth, individuals with disabilities, and/or the economically disadvantaged population.

This year's recipients include:
Adventure Works, Barb City Manor,
Barb Food Mart, CASA, DeKalb County
Community Gardens, Elder Care
Services, Epilepsy Advocacy Network,
4C, Family Service Agency, Fox Valley
Community (Older Adult) Services, Hope
Haven, Kishwaukee YMCA, RAMP, and
Safe Passage.

"We recognize that a great number of Township residents of all ages continue to deal with the effects of the pandemic. In order to address these needs we were intentional about supporting programs that provide a variety of services related to recovery," Township Supervisor Mary Hess said. "It is our hope that by providing this funding we have eliminated potential financial barriers for our residents most in need of support."

DeKalb Township Road Crew is preparing for the winter ahead!

Salt blending took place early morning on 12/2/21. Once the chemical is applied, it may look like gravel, but it's actually a special blend of salt used on DeKalb Township Roads. This process makes the salt safer for the environment, gives the salt a lower point freeze, and allows us to use less salt which saves taxpayer dollars.

Vaccine Booster Clinic

Monday, December 13th 10:00 a.m. to 2:00 p.m.

In partnership with IDPH, DeKalb Township is hosting a free vaccine clinic for the COVID-19 booster shots. Please note, this is only for booster shots, not for the first and second administration of doses. This event is limited to adults, age 18 and older.

All 3 brands of vaccines will be available at this clinic. You will need to bring your COVID-19 vaccination record card with you the day of the event. There is **NO** DeKalb Township residency requirement for this event.

To schedule an appointment, please call (815) 758-8282.

Home Energy Savings Presenation

Wednesday, December 15th 6:00 p.m. to 7:00 p.m.

Join Citizens Utility Board (CUB) and Dekalb Township for a webinar focusing on saving money, and making your home more comfortable. During the event, we will cover: new consumer protections during COVID-19 recovery; free programs designed to save you energy and money; how to decode your gas and electric bills, spot errors, and avoid scams; and the latest Illinois energy policies and how they will impact your energy choices.

To register for this virtual event, please call (815) 758-8282.

The DeKalb Township office is now a permanent collection site for used eye glasses and hearing aids for the Lions of Illinois Foundation. Please consider donating. Recycled items help fund programs and services that assist with vision and hearing needs throughout the state of Illinois.

Drop box is located outside of the Township office.

Township Services for Low Income Residents

The township's low-income relief program is called General Assistance and provides financial support to those experiencing hardship. We also have an Emergency Assistance Program for those in more immediate need. Our team will help identify which program is the right fit.

We look at each case holistically, which means that we will also make recommendations and referrals to other community programs that provide a variety of supportive services.

For more information or to access an application, visit our website, dekalbtownship.org.

NEW LIBRARY CARD SERVICE FOR UNINCORPORATED RESIDENTS

An Intergovernmental Agreement (IGA) between the DeKalb Public Library and the DeKalb Township will now allow eligible residents of unincorporated DeKalb Township to register for a free library card. As part of its mission to provide services, including library services, to residents, the DeKalb Township will cover the cost of library cards for Township residents living outside the DeKalb Public Library's service area.

In short, this means that DeKalb Township residents living in unincorporated areas can now get a free library card that allows them access to the Library's expansive resources and materials.

Unincorporated residents will bear the financial responsibility for lost and damaged items. They will follow the same rules as all other patrons as pertains to their library card.

Winter weather is approaching.

- Keep your distance from snowplows.
- Salt spreaders may be activated at any time (moving or not) and can cause damage to your vehicle if you are too close.
- If you cannot see the plow truck's mirror, the driver cannot see you.
- Reduced speeds and traveling with cautions may be needed even on clear days.
- Watch for drifting and blowing snow.
- Remember while roads may be salted in the urban areas, many times salt is not used in rural areas due to wind and drifting conditions and may result in difficult driving conditions.

Respectfully submitted,	
Andrew "Ondrew" Tillotson, Township Clerk	Mary Hess, Township Supervisor

Remote Work

Township employees may have the possibility to work from home, as outlined in this section. However, given the unique and essential nature of services provided by the Road District, it is not feasible for most, if not all, Road District employees to work from home in almost any circumstance, even during "stay at home" orders or other directives from the state or federal government in times of emergencies (i.e., pandemics). During such emergencies, the Township and Road District Department Heads may give consideration to what arrangements can be made to limit the number of employees who are together in the workplace at any one time and will allow employees to provide input on potential options for employee safety.

All determinations regarding the ability to work remotely and any other arrangements on the work site (whether during an emergency or otherwise) are the sole discretion of the relevant Department Head and shall be made on a case-by-case basis, based on staffing levels, needs of the Department, other employee scheduling, the specific duties of the employee's position, and any other relevant consideration. Reasons for working from home may include, but are not limited to, pandemics, weather-related emergencies, or other such reasons deemed appropriate by the relevant Department Head.

All personnel are expected to report to work as scheduled, unless otherwise approved by the relevant Department Head. Regular leave policies and all other Township and Road District procedures will be followed for employees who are approved to work remotely.

If an employee is allowed to work remotely, the duration of such approval may be occasional, temporary, or permanent. However, such arrangements are typically expected to be short-term and employees should not assume remote work will be allowed permanently. Employees shall work normal hours and be available during such hours as would be the same as for a normal work period, unless an alternate schedule is approved. Employees must also track their time, and must adhere to all reasonable security protocols, including not using any unsecure public wireless internet when accessing or utilizing Township and/or Road District computers and files.

Any employee granted remote work may be recalled to regular, in-office work, at any time. Nothing in an employee being granted the ability to work remotely shall be considered a vested and/or continuing right to work remotely.

DeKalb Township: COVID-19 Policy

Effective Date:

December 9, 2021

Applies To:
Approved By:

All Township and Road District Employees
Township Board, Highway Commissioner Smith

Duration:

Until Rescinded or Modified by the Board and Highway

Commissioner

BRIEF DESCRIPTION OF POLICY

This policy is an official directive for all staff, which details specific policy and/or procedures as it relates to the operations and reopening of DeKalb Township offices (including the Road District and Assessor's Office). The safety protocols herein were established to mitigate the spread of COVID-19 and may be loosened or become more restrictive as new information about the disease is made available. Failure to follow these established policies and/or procedures may subject an employee to discipline consistent with the Township's Personnel Policy. Procedures stated are subject to change at any time.

Nothing in this Policy (or any other Township Policy) shall be interpreted as a contract for employment nor shall it be interpreted to be in conflict with or modify/eliminate in any way, the at-will employment status of Township employees.

POLICY GUIDELINES

Self-Monitoring

All employees will be required to self-monitor their overall wellness and notify Department Head (Highway Commissioner for Road District employees, Assessor for employees in the Assessor's office, and Township Supervisor for all other employees) of any of the following symptoms in the 24 hours prior to arriving at work:

- a. Subjective Fever
- b. Cough
- c. Sore Throat
- d. Shortness of Breath or Difficulty Breathing
- e. Congested/Runny Nose
- f. Chills
- g. Unexplained Muscle Aches
- h. Headache
- i. Unexplained Fatigue
- j. Abdominal Pain
- k. Nausea/Vomiting
- I. Diarrhea
- m. Loss of Taste or Smell

Return to Work/Medical Clearance

DeKalb Township: COVID-19 Policy

The Department Head should be notified immediately if an employee does not report to work or goes home ill with any COVID-19 related symptoms, or is otherwise subject to additional requirements under this policy. The Department Head will be updated daily until a definite follow up date (medical appointment or end of quarantine period) is established.

Any employee who is: (1) infected with COVID-19, (2) unvaccinated but has had close contact with someone who tested positive for COVID-19, and (3) all workers with COVID-19 symptoms shall stay home from work, to prevent or reduce the risk of transmission of the virus that causes COVID-19.

Any employee who is **suspected positive or tests positive for COVID-19** shall not report to work unless and until medically cleared to do so.

As recommended by the CDC, fully vaccinated people who have a known exposure to someone with suspected or confirmed COVID-19 should get tested 3-5 days after exposure and should wear a mask in public indoor settings at all times for 14 days or until they receive a negative test result, following the test.

People who are **not fully vaccinated who have a known exposure to someone with suspected of confirmed COVID-19** should be tested immediately after being identified, and, if negative, tested again in 5–7 days after last exposure or immediately if symptoms develop during quarantine. Such employee shall wear a mask while at the workplace or conducting work-related activities at all times for 14 days or until they receive a negative test result, following the 5-7 day test.

An employee who is not able to work due to being infected with COVID-19 and/or awaiting test results pursuant to this policy must use sick time or other available paid time off, and must otherwise comport with applicable leave policies.

"Close contact" as defined by the CDC is someone who was within six feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period starting from two days before illness onset (or, for asymptomatic patients, two days prior to test specimen collection) until the time the patient is isolated.

"Known exposure" in this policy shall mean close contact with a person with COVID-19 who has symptoms (in the period from 2 days before symptom onset until they meet criteria for discontinuing home isolation; can be laboratory-confirmed or a clinically compatible illness), or a person who has tested positive for COVID-19 (laboratory confirmed) but has not had any symptoms (in the 2 days before the date of specimen collection until they meet criteria for discontinuing home isolation).

Social Distancing and Mandatory Hygiene Practices

Social distancing protocol will remain in place in the following ways:

- When possible, employees will be assigned their own vehicle and workspace.
- Meetings and face-to face interactions should happen only as necessary and take place in large open spaces with at least 6 feet or more space between participants.

DeKalb Township: COVID-19 Policy

Common areas should be used minimally and employees should limit congregating in these
areas.

Continued hygiene practices of washing hands frequently (recommended at least every two hours); covering cough and sneezing with tissues and utilizing hand sanitizer are being strongly encouraged.

PPE Requirements

As an additional layer of protection, employees will be required to wear a face covering when their work requires continuous and/or close interaction with co-workers and/or the public. Face coverings are to be worn when an employee's work requires being within 6' of co-workers and/or the public regardless of any additional barrier such as Plexiglas. Department Heads have the discretion to allow for a deviation from the PPE Requirements set forth in this paragraph if circumstances allow for that deviation.

Vaccination Availability

To promote workplace safety and employee health, an employee can request time off during the workday, which will be paid, to schedule and receive a COVID-19 vaccination or booster. The Department Head must preapprove the requested time/date in order to meet staffing needs for their Department.

Acknowledgement

I understand that I will continue to follow all applicable federal, state, and local requirements regarding COVID-19 safety and preventive measures. I also acknowledge that the Township has encouraged me to receive the vaccine, intended for my health and safety.
