Stay Safe -and Save- With the AARP Smart Driver Course.

The AARP Smart Driver Course teaches valuable defensive driving strategies and provides a refresher of the rules of the road. Since 1979, the course has helped more than 20 million drivers learn research-based tips to adapt their driving to compensate for physical and cognitive changes that may occur with aging. The course has also been recently updated with new content, so you will have the most up-to-date information for your state. Plus, you may qualify for a multi-year automobile insurance discount by completing the course (*check with your auto insurance agent for details*).

Take the AARP Smart Driver Course at the DeKalb Township building on Feb. 25 & 26 or on March 26 & 27. Space is limited so call 815-758-8282 to reserve a seat in one of these upcoming classes today.

The classroom course costs \$20* for AARP members and \$25* for non-members. **Financial Assistance is available to qualifying DeKalb Township residents. For more information, contact the DeKalb Township Supervisor's Office at 815-758-8282 & ask for Kimberly.*
